

HOW TO

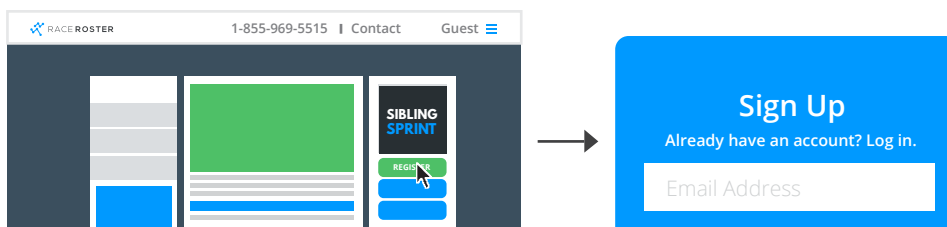

JOIN A TEAM

WHY JOIN A TEAM?

For participants a team can help motivate you through the weeks and months of training leading up to the event and give you an automatic cheer squad on event day! Many events offer a variety of team competitions like corporate challenges, team relays and team fundraising challenges to encourage groups of people to band together.

REGISTER FOR THE EVENT AND JOIN AN EXISTING TEAM

Regina fills out her personal information, selects the event she wishes to register for and is asked 'Add Participant 1 to a Team'?

* Add Participant 1 to a Team?

- No, Thanks
- Yes, create a new team and add this participant
- Yes, add this participant to a team created by someone else

JOIN TEAM

The team form section has 3 options besides the default. Regina selects the third radio button titled 'Yes, add this participant to a team created by someone else' and selects the team name from the drop down.

Team Name

Team Ross

Team Password ⓘ

*If the captain has locked the team with a password, make sure you know and enter it at this point in the process.

ⓘ When multiple participants are registering at once, make sure to choose "Add Another Participant" and repeat the process of joining a team.

SUCCESS!

Regina has now joined Team Ross with her brother Reggie. Look at those sweet team shirts they had created. Go Team Ross!
